

HIGH DUSTING CLEANING KITS

Reach into every corner

**NILFISK**

# Industrial high dusting cleaning kit

Industrial/Hazardous and Combustible Dust Applications

Achieve safe and efficient cleaning in both standard and Class II Division 2 environments with Nilfisk's premium carbon fiber high reach kits. Paired with Nilfisk Class II Div 2 vacuums, these lightweight poles allow you to tackle hazardous dust without the need for scissor lifts or ladders, ensuring compliance with regulatory standards.

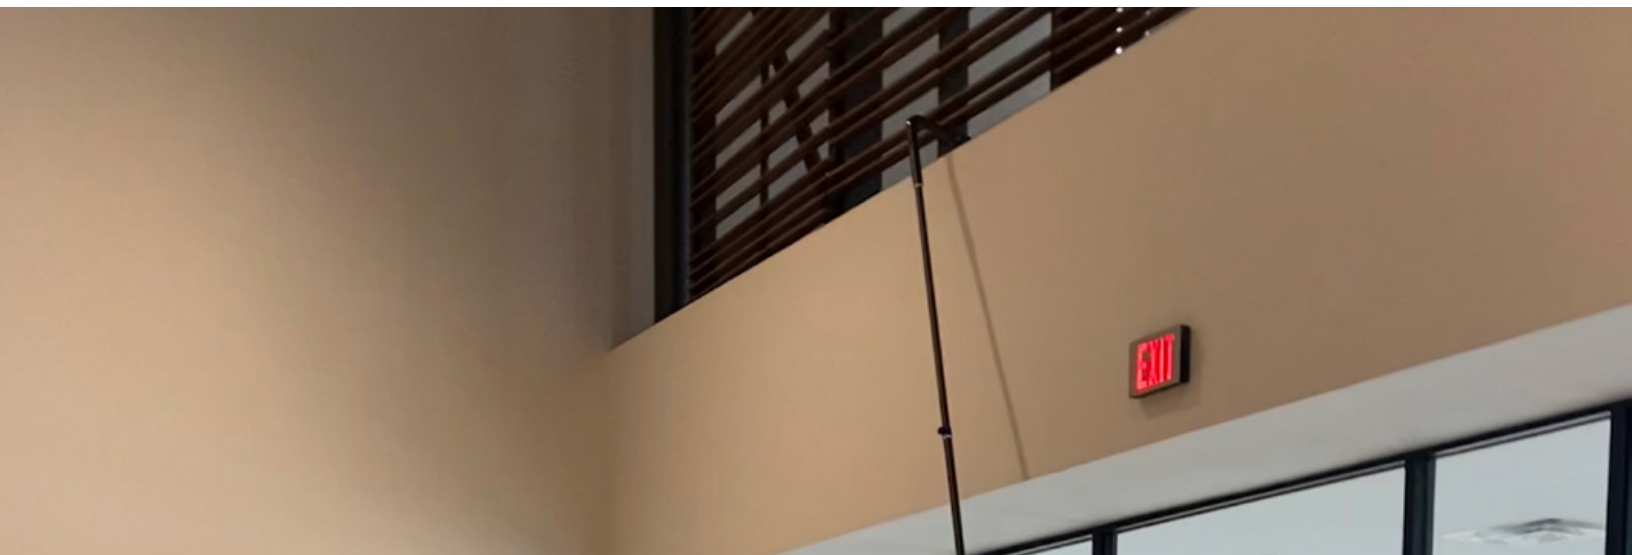

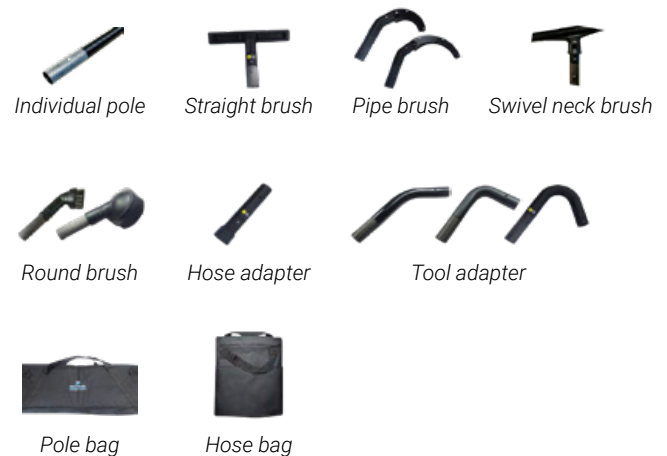

These kits provide a versatile solution for cleaning inaccessible areas. The carbon fiber poles are lightweight, durable, and conductive, making them ideal for hazardous environments.

## Key features:

- Five (5) interlocking sections: three 5' poles, one 2.5' pole, and a hose adapter tube
- Reaches heights up to 45 feet and 10 feet up and 10 feet over at 90 degree angle or 45 degree angles
- The entire pole assembly weighs under 3 pounds

## Kit includes:

- Vacuum pole & extension pole 20.5 ft
- 2 Carbon fiber tool holders
- Assorted internal brush tools
- Accessory carrying bag
- Weight: Pole weighs less than 3 pounds

# Commercial high dusting cleaning kit

## Commercial and Light Industrial Applications

Revolutionize your cleaning process with our cutting-edge carbon fiber overhead cleaning accessories. Our carbon fiber telescopic vacuum poles are designed for seamless use with Nilfisk industrial vacuum cleaners, offering a superior solution for high-level cleaning.

Our high reach cleaning kits eliminate the need for access equipment by allowing operators to clean safely from the ground. This approach decreases falls and accidents, while ergonomically maintaining health and safety standards.

### Key features:

- All-in-One design: Collapsed height of 5.5 ft and extends up to 30 ft for versatile reach.
- Lightweight construction: Featherweight carbon fiber construction, with the entire kit weighing less than 7 pounds.
- Durable and efficient: Robust carbon fiber ensures durability in industrial settings, while the lightweight design enhances ease of use.

Enhance your workspace with our innovative cleaning tools and enjoy a safer, more productive environment.

### Kit includes:

- Telescopic vacuum pole & extension pole 25 ft
- 2 Carbon fiber tool holders
- Assorted internal brush tools
- Accessory carrying bag
- Collapsible down to 5.5 ft
- Weight: Pole weighs less than 3 pounds
- Diameter of base pole 1.75 in
- Pole-to-hose cuff – 38 mm size included, 32 mm or 36 mm available separately
